SUMMARY

As a front-end developer with two years of experience in HTML, CSS, Javascript, ReactJs, NextJs, Typescricpt, and Firebase, I have a proven track record of creating visually appealing and user-friendly websites and applications. My passion for coding and attention to detail, problem-solving skills, and ability to work collaboratively make me a great fit for any team looking to create dynamic and engaging digital experiences. I'm excited to bring my expertise to a company that values creativity, collaboration and innovation,
